

***.. "The horses are coming onto the track....the horses are approaching the starting gate ... they're all set ... and .... AWAY THEY GO!!!!"***

That's what our Kiwanianne members and their families and friends heard on Saturday, March 8th when they attended the umpteenth annual Kiwanianne Day at the Races. It was a terrific day, the weather was beautiful, the atmosphere was great, the food was delicious and yes, even the horses were beautiful (including those that I bet on that are still running!).

We had a wonderful turnout, and a bountiful of raffle prizes. Of course one of the memorable things of this day was the fact that Amber, Rose Wentz's daughter brought six people with her, totaling the Wentz Clan to 16 people...and 16 turned out to be a lucky number (at least for the Wentz clan and anyone they cared to share their choices of horses with!) During the day, I kept leaning over to listen to their choices but I wasn't always successful...

Not only did their horses come in, but as you can see in the photo, they managed to win a total of 16 raffle prizes! Then to top it off, the 50/50 was won by Rose's aunt and brother! Needless to say, they are all looking forward to next year's "Day at the Races" ...and so do I, because I, Jo Cox, am going to be sitting with them whether they ask me or not!!!

You see ... I have to sit with them because MY horse is still running! Jo

**Thank you, Cathy Napoli for such a wonderful, fun time and all the lovely raffle gifts!!**
