**O**n Thursday, March 19th, Glendora Kiwaniannes hosted the DCM which was held at the beautiful downtown Covina Bowling Alley. We had a great crowd to enjoy the good food and the good company. We also had great prizes, which were supplied by Kiwaniannes. Our two esteemed members, Becky Harris and Karen Kobus went shopping and picked out some terrific raffle prizes. Thank you ladies for doing that.

DCM's are a great way to share what our club, as well as the other clubs are doing. Hearing about different

fundraisers and supporting them....plus you get to tease Paul White (which is a good thing)!
