

Glendora Kiwanniannes Welcomes its 52nd Member

At our January 6th meeting, Kiwanniannes welcomed Lois Sparling as our 52nd Club member. Lois is a retired art teacher who, along with her husband Fred and son Jonathan, operates Classic Coffee in downtown Glendora. Born in New York City and raised on Long Island, Lois is an active volunteer in the Glendora community. She is a Discussion Leader in her church's Bible Study Fellowship, and she sings in the choir and supports the church's missionary work. She believes in giving back to the community and helping others.

"We are so pleased that Lois has joined Kiwanniannes to help us help the children of the community", said Pam Richards, Membership Chair.
