

Glendora Christmas Parade 2008

On Saturday, December 13th, Glendora had their Annual Christmas Parade...and what a parade it was! As usual, we (at least those of us who worked the donut stands that day) woke up at dawn, and were at our appointed sites by 7 am to help set up our coffee, hot cocoa and donut stands. We had two locations, one in front of Andrews at the Southern part of Glendora Avenue, and the second location in front of Hill Top Realtors at the Northern part of Glendora Avenue. We made approximately \$410...quite a bit more than we made last year. Yeah!!!

Rita Scott, who has been the chairman for this event for so many years, will be retiring after this year. Thank you, Rita, for all those years and all that work. Kiwanianne working with Rita in front of Andrews was new member Judy Scofield and yours truly, Jo Cox! Working uptown in front of Hill Top Realtors was Heidi Balch, who chaired the Hill Top Realtors location, Tina Novodoczky, Kandy Nunn and Mary Jane Bettfreund. Heidi also made the terrific signs that we placed at each location. Thank you, Heidi for all your work. Unfortunately, my camera was not working properly so I was not able to get a photo of Heidi and the group in front of Hill Top Realtor (I apologize).

All in all it was a great day. As I stood there and watched all the activities, it reminded me of a Norman Rockwell painting. Can anything beat small town USA?...I don't think so.

Of course, a Christmas parade would not be complete without SANTA!
