

# Kiwaniannes Have Talent!

Do you know you've heard of "America's Got Talent"....but have you ever heard of "Kiwaniannes Have Talent"? At our Country Fair meeting on June 16, we certainly found out about all the talent our club members have. Everything from beautiful needlepoint creations by Kandi Nunn and Heidi Balch, to sensational quilts from Pat Rasmussen and Tina Novo were displayed. Penni Reilley has a fantastic talent for painting, and her canvases were just outstanding. We had yummy desserts thanks to Linda Price and Becky Harris. We also had beautiful plant and flower arrangements by Ida Fracasse and Kathy Morey. Rona Lunde shared a beautiful dress she made, and we even had crazy photos from yours truly. Unfortunately, my camera was not cooperating that night and I was unable to take more photos. I apologize. Thanks to all of you who contributed to this wonderful evening!
