President's Message

It is a little daunting to be taking on the job of president for this club. I have only been a member since 2003 and I am not sure that I am ready. I have long admired the service that this club does in the community. Actually that is the main reason that I joined. I wanted to be a part of a group of women who not only raise money for others but also commit their time and talents to making our community a better place to live, work and play.

So, this year our theme is "*A Heart for Service*". This is who I am and I have come to realize that this is also who we are as a group. Through the years that I have been involved I have gotten to know each of you and I am so impressed with your dedication and commitment to our community.

This is one of my favorite quotes that I have incorporated into my life:

"We make a living by what we get, but we make a life by what we give." ~ Winston Churchill

We shall have fun this year; we shall work together to serve those who are least able to serve themselves and we will raise money for those service projects, scholarships, and teacher grants. We will learn new things about each other as we grow our friendships and it is my hope that we will invite our friends to join us in this effort to make the community a little bit better for our being here. I am honored that you have elected me to lead this club and with your help, I shall serve you to the best of my ability.

Sixth Annual Afternoon of Antiquity

By Jo Cox

They say that "time flies when you're having fun"....well ladies, we *must* be having fun because it is time once again, for our 6th Annual Antique Appraisal Fair, to be held at La Fetra Center on November 7, 2010. Remember how many times you said that you were going to clean out your garage and attic? Well, now is the chance to do just that and find out if those collectables, baskets, paintings, books, or family heirlooms you have stored away are really treasures that may be worth some money. Not only is this an afternoon filled with great food, wine and entertainment, but it's fun to see all the things people bring in and to find out the history behind them.

Niles Grace, the Instant Appraiser on A & E's "The Incurable Collector," will once again be there to evaluate all of our treasures.

Ladies, this is an important fundraiser so we need to encourage everyone we know to dig deep into their treasure department and attend this event. We need to sell those tickets. If you haven't received your tickets yet, Sharon McConnell will have them at our upcoming Installation on October 6th. If you are not planning on attending the Installation, please call Sharon and she'll get your tickets to you.

The Afternoon of Antiquity Appraisal Fair is one of the Kiwaniannes major annual fundraisers with proceeds benefiting community service projects and programs....so please sell those tickets, and help make this a huge success!

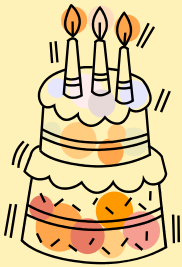

A Message From The Sunshine Gal!

If any of you hear of a member who is ill or in need of words of encouragement, please contact me either by e mail (large font please) or by phone.

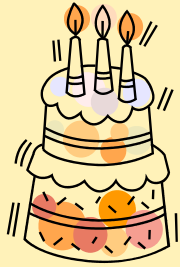

Thanks!

Once again we are going to be participating in the Glendora Community Services Halloween Carnival on Sunday, October 31. We will be in charge of "Frankenstein's Frog Pond" (an easy game to run). There will be two shifts -- 5:00 - 6:30 and 6:30 - 8:00. Several Kiwaniannes have already signed up to work and we just need two more for the second shift. And we can always use some alternates if you'd like to sign up for that. Please call me and let me know if you would like to spend some of your Halloween evening helping us in the booth. It's always lots of fun.

Penni Reilly - A Jewel of a Kiwanianne!

*Hold on to your jewels ladies....*At the September 1, 2010 meeting, Penni brought a wonderful collection of jewelry. She explained everything and anything you always wanted to know about that rhinestone pin that you have tucked away in the back of your jewelry box..... or wrapped in a handkerchief in the bottom of your dresser drawer! These gems might not be worthless...in fact, a few years ago, I brought a rhinestone pin to Penni to have her evaluate the value for me. The pin was given to me by my Aunt, who bought it at a local Woolworth's store (remember Woolworths?) for about \$2.00.....way back in the day, so to speak. Penni evaluated the pin to be valued at approximately \$600. Needless to say, I now have that pin in a safe place.....

Not only did Penni explain what to look for when you come across these heirlooms, but to check for signatures! Yes, you heard me **signatures**....Did you know that most pins have signatures on them? (Frankly, the only signature that I ever saw was .."made in Japan"..) She recommended two wonderful books that explain everything you ever wanted to know about your jewelry. It was a great program, and we all felt like Queen for a Day!
Thank you Penni.

Penni, along with her daughter Barbara, and her fantastic collection of jewelry

Barbara Latasa Receives Recognition for "Keeping it Green"!

President Pat gives her last "Bandana Award" of 2009-2010 to long time member Barbara Latasa for all the work she has done for Cash for Trash.

From it's inception, the Cash for Trash program has raised thousands of \$\$\$ through members' donations of used printer ink cartridges.

Barbara stores the inkers in a storeroom at work and when the storeroom is almost bursting, she boxes them up. They are then sent to the recycling company. The money earned is used to purchase items needed by pediatric centers in local area hospitals.

Congratulations Barbara for a job well done!

PS.....MEMBERS! Please keep those old inker\$ coming in!

Jane Howell Update

On September 25th, Jane Howell suffered a stroke and was at Pomona Hospital. Since then, Jane's been moved to a Rehab facility in Glendora. Last Wednesday, I went to visit Jane. I brought her a potted plant from Kiwanianne, along with a card from the Club. Jane is doing very well. She has trouble walking, and probably will be in a wheelchair for a while, but other than that her prognosis looks good. She is at home now with a daytime caregiver helping her, and should be starting her rehabilitation soon.
